

SHERMAN BOARD OF EDUCATION
POLICY COMMITTEE
MONDAY, JUNE 11, 2018
THE SHERMAN SCHOOL - SUPERINTENDENT'S OFFICE

Vision Statement

**We enable all Sherman Students to become the best possible version of themselves.
We provide an environment where our children develop into empathetic, self-directed,
critical thinkers who don't give up when faced with challenges.**

A Policy Committee Meeting of the Sherman Board of Education was called to order by Mrs. Seeger on June 11, 2018 at 2:02 PM.

1. PRESENT:

For the Board:	Mrs. Seeger and Mr. Neunzig
Administration:	Dr. Melendez

2. DISCUSSED:

2.1 Policy 6145 Instruction/Extracurricular Activities: The committee reviewed the policy to understand and clarify the responsibility of the district with regards to extracurricular activities. Paragraph 3 and 5 in the policy speak to responsibility and supervision but without guidelines as to how these extracurricular activities are authorized, funded, etc. The committee recommends this topic be scheduled for discussion at a regular monthly BOE meeting to acquire full Board input.

2.2 Policy 6153 Student Trips: The committee recommends revising paragraph 3/E to read "It is understood that individual student families will pay costs associated with school trips, including admission fees, meals and snacks, and a prorated share of transportation charges, ***unless the BOE allocates the funds to fully or partially pay for school sponsored trips.***"

2.3 Regulation 6141.322: Dr. Melendez shared an updated version of the regulation with the committee. This regulation was suspended earlier in the school year to give the administration an opportunity to update with current practices. Although the Board is not required to approve administration regulations by law, the previous regulation was Board approved, therefore it was the position of the Chair to keep with past practice. The committee recommends the Board adopt the revised regulation for Policy 6141.322.

2.4 Policy 5118: Non-Resident Students: The committee discussed and agreed this policy lacks information regarding non-resident staff members children attending The Sherman School District. Since there is precedence set with regards to staff members children attending the Sherman School and recent communication inquiring about the process, it is the recommendation of the committee that this topic be discussed at a Regular Monthly BOE Meeting for full Board input prior to any policy updates or changes.

3. ADJOURNED

Meeting adjourned by Mrs. Seeger at 3.15 PM.

Respectfully submitted,

Susan Seeger
Chair, Policy Committee
