MAINTENANCE COMMITTEE  
TUESDAY, OCTOBER 9, 2018  
THE SHERMAN SCHOOL - SUPERINTENDENT'S OFFICE

**Vision Statement**

**We enable all Sherman Students to become the best possible version of themselves.  
We provide an environment where our children develop into empathetic, self-directed,  
critical thinkers who don't give up when faced with challenges.**

The Maintenance Committee meeting of the Sherman Board of Education was called to order by Mrs. Diotte at 10:04 AM.

**1. PRESENT:**

For the Board:	Mrs. Diotte and Mr. Neunzig
Administration:	Dr. Melendez
Staff:	Mr. Lombardozzi

**2. DISCUSSED:**

- 2.1 Discussion took place regarding the contents of the Facility Study, still in draft form. Generally the committee is pleased with the greater detail that is being included in the report. Both Mrs. Diotte and Mr. Neunzig questioned why the boilers were rated as "fair" since these were replaced less than 4 years ago. This question will be asked of Glenn Yaekel when he meets with the committee on 10/17.
- 2.2 A follow-up discussion took place regarding the mold found on surfaces in the middle school in August of the current year. Mr. Lombardozzi confirmed that the vents throughout the middle school have all been cleaned. He will also be checking with the town to determine if some of the tree work that has been recommended might be in their operating budget.
- 2.3 Dr. Melendez informed the committee that he met with 2 of the 3 possible vendors for the playground. The Playground Committee will be meeting later that evening at 5:00. No decisions have been made regarding the playground at this time.

**3. ADJOURNED**

Meeting adjourned at 10:43 AM.

Respectfully submitted,

Kasey Diotte  
Chair, Policy Committee
