## Happening at The Sherman School

### › Dot Day!

All classes in Grades K-5 have created various artworks inspired by the ideas presented in the book "The Dot" by Peter H. Reynolds. It is the story of a girl, Vashti, who is challenged by what she believes is her inability to draw. Encouraged by her teacher, Vashti "makes her mark" and discovers all of the ways in which a single dot can lead to some pretty amazing things.

Dot Day is a celebration of what we can accomplish when we are encouraged to try our best. We can celebrate by not just wearing polka dots today, but by encouraging each other to do our best, try new things, make mistakes, and go for greatness.

Check out our social media pages this evening for Dot Day photos!

› **Teacher of the Year - Week 4**

This week we are celebrating Miss McDevitt!

› **Scholastic Book Fair**

Our Fall Book Fair is next week! Students will have a chance to preview the book sale with their individual classes, and this year's hours extend to 4pm to allow for parents to purchase after dismissal! Additional information will be sent home with students in the coming days.

› **In-Person Building Tour**

On October 19th, we will be hosting an In-Person Building Tour for families to come visit! This event will take place after school hours, starting at 6:30pm. The school's administration team, as well as the SPTO will be in attendance to answer questions, or just to chat. If you are interested in attending, please [click here](#) to RSVP!
