

RESPONSIBILITY | COURAGE | HONESTY | RESPECT

February 26, 2022

Dear Sherman School Families,

I am writing to inform you that the CDC released new guidance on Friday which makes mask-wearing optional on school buses effective immediately. As a result, parents and/or students may choose whether or not they wish to wear a mask while on the bus and other public transportation.

As a reminder, mask-wearing in The Sherman School will become optional effective Tuesday, March 1st. The administration will be personally visiting each classroom on Monday to reinforce the importance of respecting each other's individual choice regarding mask-wearing in school and while on the bus. We will also use this opportunity to answer any questions or concerns that students may have regarding this transition.

Once again, we recommend that parents and guardians speak with their child regarding this transition. We are happy to help in any way we can... please just let us know if we can be of any assistance.

Sincerely,

Jeff Melendez
Superintendent-Principal
