

RESPONSIBILITY | COURAGE | HONESTY | RESPECT

March 10, 2022

I honestly didn't think we would be able to pull it off... but it is going to happen!

I am pleased to announce that we are opening our school to families for our first in-person XP Expo since March of 2020. Our 4th-8th grade students and their teachers are excited to show off their learning and we are delighted to invite you to join us on Thursday, March 17th from 8:45 AM - 10:00 AM. If you're not sure what we are talking about, here is an excerpt from our XP and Enrichment Catalog that describes the XP Expo:

Three times a year, at the end of each trimester, our students are asked to share their learning. This can take many different forms: A poster, a demonstration, a presentation, a performance, an explanation, or even a final product that was created from scratch.

We invite our younger students to participate, and we encourage all parents, guardians, and members of our community to attend our

XP EXPO

As we are slowly coming out of the pandemic, and out of an abundance of caution for our staff and students, we are going to ask for your cooperation regarding two items should you wish to attend:

1. We are requesting that visitors be limited to members of your immediate household, and
2. We are requesting that visitors wear a face mask for the duration of their visit*

A detailed schedule will follow early next week so families will know where they can see their child's presentations. We are excited to see you soon!

Cheers,

Jeff Melendez
Superintendent-Principal

*Please note that our students and staff will not be required to wear a mask. We will have masks available for visitors who need one.
