

RESPONSIBILITY | COURAGE | HONESTY | RESPECT

March 25, 2022

Dear Sherman School Families,

I am pleased to inform you that we will be reinstating the use of our round tables in the cafeteria on Monday, March 28th. As you can see in the diagram below, seats are 20" apart and the table diameter is 60" which we believe, and our health team has confirmed, is sufficient based on current health data.

Realizing that some students may wish to maintain a greater distance when eating lunch, we are making individual desks available in the cafeteria. Students may choose to sit alone, or they may group desks closer to their peers based on their own comfort levels to promote a positive and social lunch experience.

As always, please do not hesitate to let us know if you have any questions or concerns.

Cheers,

Jeff Melendez
Superintendent-Principal
