

RESPONSIBILITY | COURAGE | HONESTY | RESPECT

August 12, 2022

Dear Sherman School Families,

It is our sincere hope that this email finds you and your family healthy, safe, and enjoying a summer filled with relaxation! Dr. Cosentino, Dr. Leekin, and I are very excited to be a part of The Sherman School community and look forward to working with you all. This letter contains very important information regarding your child's return to school on Monday, August 29th.

It is important that families carefully review each of the links in this letter which will allow you to access, easily complete, and electronically submit a number of required forms. The PowerSchool Portal will also allow you to determine your child's teacher and schedule. The forms (which are to be completed through our PowerSchool Portal) are due no later than Sunday, August 29, 2021. If guidance is needed, please feel free to preview the instructional video, as it will help you to successfully navigate the Parent Portal:

[Access the PowerSchool Portal](#)

Please take a few moments to review the important documents below, which are also available on our [website](#) for your convenience:

- [The Sherman School Annual Calendar](#)
- [An updated Family-Student Handbook](#)
- [A letter outlining our allergy procedures](#)
- [A free-reduced lunch application](#)
- [Information from the SPTO](#)
- [Husky Health Information](#)

Thank you so much for your cooperation and for taking the time to review these important materials in preparation for a successful 2022-2023 school year. We will host an Open House on Thursday, September 15th starting at 6:00pm. More details will follow but we wanted to give you time to note the event on your calendar.

We are very excited to advise you of our plans to continue to improve communications, especially through social media. We strongly encourage families to download The Sherman School app and the Communicate app for seamless communication.

And finally, if you previously chose to receive an SPTO student materials kit, they will be in the classroom for your child. If you are purchasing student materials on your own, the lists can be found on our website by clicking [here](#).

Sincerely,

Mary T. Fernand, Ed.D.
